Kennel Club Notice

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

Security at Shows

The Kennel Club have asked all societies to stress the importance of security at dog shows. They understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore they re-iterated the advice being given by the Police and Security Services, that everyone in the UK should remain vigilant and this applies equally to those organising and taking part in dog shows. The KC also reminded us of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Should you see anything suspicious or of concern, please alert the Show Manager, Mr Malcolm Spark and/or the Show Secretary, Mrs. Susan Wake immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself. Should it be necessary for the hall to be evacuated, please remember that evacuation should be as speedily but as safely carried out as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

* SPECIAL AWARD CLASSES *

As a club we are aware of the lack of Classes at many Open Shows, which in turn hinders many of our judges to reach the required amount of 'hands on' experience of Cavaliers to enable them to progress through our judging lists. We have liaised with the Kennel Club and decided to offer 'Special Awards Classes' at our Open & Championship Shows, where hopefully there is already a good entry for the Show itself and many of these exhibitors will also support this idea, giving the invited judge for the Special Award classes a nice entry to go over and therefore enabling them to include these on their C.V. for progression through the lists.

N.B. These Special Awards are judged as an entirely separate entity from the show and will be judged during the lunch time period. **A dog beaten in competition for a Special Award is not considered to be a beaten dog for the purposes of Regulations F(1)26 and 27. (Best Puppy in Show and Best in Show)**

The Special Award classes are entirely arranged as a method of promoting B or C list judges. All dogs entered into these classes must also be entered into the main show classes.

Our choice of judge for today is

CHRISTINE BELL (Chistabella)

and the Classes are

PUPPY, GRADUATE AND OPEN

Enter Codes **SACP, SACG or SACO**

on your entry form to enter into the classes for the
Special Award Classes

(Don't forget dogs/bitches must also be entered into a class
in the main show)

**SO PLEASE DO SUPPORT AND ENTER

8. The mating of bitches within the precincts of the show is forbidden.
9. **Best Puppy in Show** Where a Best puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and received a first prize in a class at the same show. A Puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
10. **Best in Show** Best in Show must be selected from the exhibits declared Best of Sex but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.

12. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulations F11.
13. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
14. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
15. **DOGS IN VEHICLES ON HOT DAYS.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
When at the show, never leave your dog in the vehicle.
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results.
Please look after your dog's welfare.
16. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
18. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
19. FIRE EXITS: Please note their location and Keep Clear at all times. Cages MUST NOT be placed in front of fire exits so as to obstruct the exit.
20. EXERCISE AREA: This will be clearly indicated. Please remember it is the responsibility of the Exhibitor to clear up any 'mistakes'. There will be equipment provided. Please use it.
21. CAGES: Cages, Grooming Tables and Trolleys must not obstruct the gangways and are NOT ALLOWED AT THE RINGSIDE.
22. Any expense incurred by the Society from dishonoured cheques will be passed on to the Exhibitor concerned.
